1 Hour \$45, 2 Hours \$65, 3 Hours \$90
All parties require \$50 deposit

New Projects

Grandstand: The Park Commission is pleased to announce our acceptance of funding from the DCNR for Grandstand construction. The new grandstand, which will hold approximately 1100 people, will be constructed based on the design of the grandstand at the Butler Farm Show Grounds. Construction will hopefully begin in May, 2008, and be completed by early June. This project is the first cooperative grant to be completed through the efforts of the Park Commission and the Clarion Fair Association.

Master Site Plan & Feasibility Study: A Master Site Plan will be conducted on the Redbank Valley Park through 2008 by PASHEK Associates of Greenville PA. The study will be an in-depth look at the Park grounds, its facilities and events (including the campground). The Master Plan will be developed through an assortment of research, public input and analysis, and create an overall plan for the full redevelopment of the Redbank Valley Municipal Park. The final plan will prioritize future grant funding and development of current and new facilities for the park as expressed by the community.
Campground Expansion, Toddler Playground, Tennis Court Rehabilitation and Playground Restroom: These items are the current plan for the Commission to develop within the next two years. These projects will be sought after through grant sources. Meeting these goals will depend on the total amount of matching funds raised through 2008 Park Events. Nearly all net income generated through park events goes into the Park Commission Matching Grant Fund. The Grandstand project and Master Site Plan matching funds were raised through 2006 and 2007 events, such as Bluegrass Jam, Fair Rent, BMW Rally and ATV Poker Run. The attendance and support of Park users at these and other Park Commission events and the diligent efforts of the Municipalities that form the Redbank Valley Park Commission will make these projects a reality in the near future.

Redbank Valley Municipal Park

137 Park Road, Fairmount City, PA 16224

814-365-5924 • www.redbankpark.com • email: redbankpark@windstream.net

Redbank Park is a community park intended for the recreation and enjoyment of our visitors, residents and their guests. We offer a wide variety of recreation including RV and tent camping, pavilion rentals, reception hall rental, roller skating, swimming, tennis, large playground, ball field and several annual events. The Redbank Valley Municipal Park is owned and operated by the Redbank Valley Park Commission. The Redbank Park Commission consists of two representatives (one elected official and one tax payer representative) from each of the tax contributing Municipalities: Redbank Township Armstrong County, Redbank Township Clarion County, Porter Township, South Bethlehem Borough and Hawthorn Borough. The Park Commission holds open public meetings on the second Wednesday of each month at 7pm in the skate rink.
