Grandstand Construction Bleacher Seats Memorial and Donation Plaques

The Redbank Valley Municipal Park which is owned and operated by the Redbank Valley Park Commission has finished a large scale construction project. The Park Commission in partnership with the Clarion Fair Association and funding assistance from the PA State Department of Recreation and Conservation and the PA Department of Agriculture have constructed a new Grandstand overlooking the newly renovated event field. The new facility which replaced the original Grandstand that served for over 72 years will offer 1136 seats including Handicapped accessible seats.

Contact 814-365-5924, or redbankpark@windstream.net to acquire the form and purchase a tag.

The Grandstand which seats thousands of people per year offers a great opportunity to make a known donation, memorialize a loved one or just help get a business name out. The Park Commission will be installing 1.5” x 8” tags on the 18” grandstand seats that will allow up to 40 font characters. **If you would like to be part of this unique experience please complete the bleacher seat tags form below and mail it with a check or money order of \$50.00 payable to the Redbank Park Commission to Redbank Park 137 Park Road Fairmount City PA 16224.**
